

10-12-84
12.3.8 v.3

This is to acknowledge that you filed a Notification of Hazardous Waste Activity (EPA Form 8700-12) on October 12, 1984, for the facility located at the address shown below to comply with both state and federal regulations. The EPA Identification Number, type of hazardous waste activity and a description of hazardous waste are listed below. This number must be included on all shipping manifests for transporting hazardous waste; on all annual reports that generators of hazardous waste and owners of hazardous waste treatment, storage and disposal facilities must file with the state; on all applications for hazardous waste permits; and other correspondence related to your hazardous waste management activities.

EPA Identification Number: KSD980964993

Installation Address: Highway 169 North, Coffeyville, KS 67337

Type of Hazardous Waste Activity: Generation Only

Description of Hazardous Waste: D001, D002, U002, U044, U159
and U220

Since the State of Kansas received Interim Authorization, Phase I, on September 17, 1981, to conduct the state's generator and transporter hazardous waste program in lieu of the respective federal program, we are to be notified of any additions to and/or modifications of the information provided on your notification. All questions or assistance pertaining to the handling of hazardous waste should also be directed to this office.

Sincerely yours,

EPA
